

Invitation to an

Improving Lives Update

Thursday 15 January 2015 at Burton Town Hall

7.00pm-8.30pm (registration from 6.30pm)

We would like to invite all local people to come along and hear about the work we at East Staffordshire CCG are doing on:

Improving Lives

GPs and staff at East Staffordshire CCG have been listening to patients and carers, particularly older people and those with long term health issues. We are going to transform the way that services are delivered across East Staffordshire, to give you the outcomes you have asked us for.

The evening will include:

- Patients' and carers' views on why changes are needed
- What work has been done so far
- What will be different in the future
- An opportunity to share your views

If you would like to come along - please email improvinglives@northstaffs.nhs.uk or call 01782 298192 to book a place, as this will help us with our seating/catering plans.

If you can't attend but have any questions or comments, please use the same email address or phone number to contact us. You can also find more information on our website about

Improving Lives: www.eaststaffccg.nhs.uk/improving-lives

Helping local people to live more independent, healthier lives
